

## APPLICATIONS FOR INTERPRETATION AGAINST THE ZONING ADMINISTRATOR AND NON-COMPLYING / NON-CONFORMING USES

After your appeal is filed, zoning staff will visit the site to take photographs for the Board members so that they will have a better idea of the nature of your request. Notices will be sent to the district councilmember, *The Tennessean*, and the neighboring property owners within 300 feet of the property. The neighbor notices will be mailed approximately twenty-three (23) days prior to the public hearing.

The day of the public hearing, it will be your responsibility to convey to the Board your request and the reasons for this request. In the case of questioning the Zoning Administrator in his interpretation of the Zoning Code, it is your job to explain to the Board why he is wrong and you are right. In the case of a non-conforming or non-complying structure, it is your job to explain to the Board how this change/enlargement, etc. would result in less of an impact on the surrounding area. **It would be to your benefit to contact your neighbors and explain to them what you are doing and attempt to obtain their support and evidence that support in some form at the public hearing.**

Any party can appeal the Board's decision to Chancery or Circuit Court within sixty (60) days from the date the order in the case is entered. **Should your request be granted, we would remind you that it is your responsibility to obtain the permit for which you have applied.** You should also be aware that you have two (2) years to obtain the permit or you would have to re-file your request with the Board.

Once your request is filed, the staff will review your request to verify that the submittal is complete. Incomplete submittals will not be scheduled for a hearing until complete.

**Any correspondence to the Board must be submitted to our office by noon, the Monday prior to the public hearing to be included in the record. You must provide eight (8) copies of your information to staff.**

We hope that this information will be of help to you in understanding the variance procedure and if our office can be of further assistance, please do not hesitate to contact us.
